CHAIRMAN'S WELCOMING MESSAGE

Good evening ladies and gentlemen and welcome to Showstoppers 2008 at Ferneham Hall, Fareham. We are delighted to be back at Fareham, and although our summer show requires us to move away from our spiritual home of the Kings, the staff and the team here at Ferneham always make us particularly welcome! Those of you who have attended our Showstoppers events before will know that the aim is to entertain with some old favourites and sometimes some music that is a little more diverse. And most importantly to give members of the Society who don't often get a chance to shine to grab their moment in the spotlight. I'm sure you will agree that by the end of the evening we will have proved once again that we have incredible strength in depth and will be pleasantly surprised by some of the amazing talent that we have managed to unearth!

Special thanks need to go to both Alan Pring, Jane Pegler and the rest of the production team on helping put the show together, and also Maureen Francis, Yvonne Jenkins and the ticketing team, who have worked tirelessly in helping organise ticket sales.

Our next show will be back at the Kings in November, when we will be presenting what is generally regarded as one of the greatest musicals of all time, My Fair Lady. I hope to see you all then. And don't forget if you want to take part in any of our shows, either as a performer or working backstage or with marketing or publicity call the Society Secretary, Tom Hudson on 07791 960664. In the meantime, sit back, relax and enjoy the show!

DEAR PATRONS AND FOLLOWERS OF SOUTH DOWNE MUSICAL SOCIETY

Hello again to all of you. I believe many of you went to watch the last show 'Singin' in the Rain' and I am sure you enjoyed it as much as I did. I felt very envious not being in the show this time, but you will see me in the November production of 'My Fair Lady'. This production, 'Show Stoppers 08' presents to you a wonderful evening of Song and Dance. So, sit back and enjoy it and maybe sing along to the songs you know.

'Singin' in the Rain', as I said in the last programme, is a very popular and well loved musical show which was a resounding success for us again. I quote from our Chairman's address in our Newsletter "The News gave us a storming review, one of the best we have had for some time". It is also hoped that it will be a NODA award winning production and by the time you read this, maybe we will have received that award!

Well, enjoy this show and, once again, if you know of anyone who you think would be interested in becoming a Patron or if anyone reading this programme is interested, please complete the application form with this programme and send it to me.

Very Best Wishes

Dennis J Redding
Patrons Secretary
